Credits from either the student's prior radiography coursework at an accredited college or university or special credit awarded for credentials/experience are used to meet this content area.	Up to 60.0

BS IN MEDICAL IMAGING TECHNOLOGY/STGEC NEEDED - CONTINUED

TOTAL CREDIT HOURS NEEDED FOR PROGRAM ENTRY	90.0
--	-------------

NON-CLINICAL TRACK

Transfer students in the non-clinical track must have at least 30 credit hours of coursework in residence at Indiana University. Part-time enrollment is possible in the track. The program accepts students who hold a primary and /or post-primary certification. Students who hold a post-primary certification may be eligible for special credit. However, special credit cannot be used toward the required IU credit hours of course work. For more information please email askhpp@iu.edu or call (317) 278-4752.

ADMISSIONS TIPS & HINTS

The MIT Program Faculty will admit in a given year all students that can be accommodated in clinical settings. Admission to all clinical tracks is competitive. If the student is not admitted s/he may accept a spot as an alternate. If spots open up before the start of the program, the student will be contacted and offered a seat in the class. Students enrolling in the non-clinical track need only meet the minimum academic requirements.

SUGGESTED PLAN OF STUDY – Each program provides a suggested plan of study in their section of the IUPUI Campus Bulletin. For the most recent version, visit <http://bulletin.iupui.edu>. Plans of study may vary by student based on the placement test scores, date major was declared, or other factors. Please check with your advisor to be sure all admission requirements are being met.

IMPORTANT ADMISSIONS CRITERIA & ADDITIONAL INFORMATION - For a complete list, see the School of Medicine Health Professions Programs section of the IUPUI Bulletin. Completion of requirements does not guarantee admission into the program. Competitive grade point averages are generally higher than the stated minimums.

- Credit hours needed prior to entrance 90.0
- Minimum Grade Point Average needed 2.80 Cumulative (Clinical Students)
- Minimum Grade Point Average needed.....2.50 Cumulative (Non-Clinical Students)
- Interview Required..... No
- Application Deadline..... November 15 (Clinical Students)
- Evidence of registration or eligibility for registration in radiographer (ARRT), Nuclear Medicine Technologist (ARRT or NMTCB), Radiation Therapist (ARRT) or Sonographer (ARRT or ARDMS) is required at time of application. If you do not hold one of these credentials, please see Associate in Science in Radiography course information.
- Entry requirements must be completed by Clinical Students: End of Summer Prior to Entry
Non-Clinical Students: The Semester Prior to Entry

FOR MORE INFORMATION - For advising assistance visit us online at <http://medicine.iu.edu/hpp/> or contact the School's Administrative Office at (317) 278-4752 or askhpp@iu.edu.

NOTE: Enrollment at Indiana University does not guarantee admission to any of the IU School of Medicine Health Professions Programs. To be eligible for admission to one of these programs, students must adhere to the academic regulations of the academic unit in which they are enrolled and meet School and individual program preadmission requirements as stipulated in the general education and program sections of the most recent bulletin. Admission to many programs is competitive; therefore, completion of the prerequisites does not guarantee admission to the program. To be considered for clinical admission, students must complete an application in the year prior to entry by the program's stated application deadline.

If the application deadline has passed and you interested in starting the MIT Program, please contact patte120@iu.edu to see if class capacity is full. Application Deadline Admissions for clinical track is November 15 of the year before anticipated entry. Admissions for Non-Clinical is rolling admissions.
